# WHY

We are supposed to get married this November, but plans have been uncertain due to the pandemic. We are already living together and have our rings with us so we still hope to gather our our loved ones and celebrate with them, the soonest possible within our resources.

# WHY

We believe that with the **new normal**, we can all make things happen (which goes beyond our wedding).

We wish to **document** this event so we will also have our program and photoshoot after. Yes, in our home. When corona has become a thing in the past, it's something fun to show our kids.

Are we still holding  
the traditional  
wedding after this?

We are currently working  
on our legal requirements.

We are having our civil  
wedding as soon as the  
situation allows.

For the celebration, we  
still don't have definite  
plans yet,  
but we'll keep you posted  
for sure!

# What to wear?

We are wearing our outfits -  
Wedding Gown + Veil for Vianka and Suit for Coby.

We appreciate if you can wear a **special dress**  
or **suit** on this special day,  
as we will still have OOTD (Outfit Of the Day)  
taken from respective homes.

Ladies, we're good if you also wear makeup and accessories!

# Who will officiate?

- ❖ Our good friend Carlo Sumaoang will officiate, we were rehearsing recently.

# Who else will attend?

Only the entourage  
and few guests will  
attend.

As this will be an  
intimate wedding,  
we appreciate if we  
all keep it to  
ourselves first.

# How to attend?

You may download **Zoom App** on your laptops or iPads.  
We'll rehearse the night before (April 19) for Tech Check.  
We can check if your speakers/ **earphones** are working too.

For the wedding day itself (April 20), we'd like to request a white  
or anything **plain light background**.

**Wine glasses** or nice clear glass are  
also cool to have for our wedding cheers!

# Sample OOTD shots

Any ***full body pose*** at any corner of your home with hashtags **#LetsMakeItHappyn** **#StayHomeWedding**, we request a second version with your house slippers / masks for fun!
